

2024 MASTER - Pre-inspection questionnaire - School : Staff

1.

We are interested in your views on your school as a member of staff. Read each statement considering your own experiences and tick the box that best fits with what you think. For some questions, you will have an opportunity to explain why you have chosen that answer, if you want to.

Your opinion matters to us. Your answers and those of others help inform the inspection. Where appropriate, we may also use the information gathered from questionnaires to help us form a national picture of the work of schools across Wales.

The questionnaire is anonymous. Your responses are confidential and we do not ask for your name.

Estyn inspectors will:

- Read your answers
- Never disclose your individual responses to the school or anyone outside of Estyn. The only time we may share information with other people is if we have concerns about your safety, the safety of other staff or learners.

Your answers will be stored securely on our databases in line with our data retention policy.

For information about how we handle your personal information please refer to our privacy notice: [Click here for our privacy notice](#)
