For learners, for Wales

Pre-inspection questionnaire - ISC: Learner

Please tell us what you think about your college. Think about your own experiences and not the experience of your friends.

Read each sentence and tick the box that fits with what you think. There are no right or wrong answers. For some questions, you will be able to explain why you have chosen that answer if you want to. Please answer honestly.

We care about your views. We will read your answers and use them to find out more about the college. We may also use these surveys to help us understand what pupils think of colleges across Wales.

The survey is anonymous. We don't ask for your name. This means that your answers are secret.

Estyn inspectors will:

- Read your answers
- Never tell anyone in your school or anyone else outside of Estyn what you say

The only time we may share information with other people is if we are worried about the safety of pupils.

We keep your answers safe on Estyn's computer systems.

You can learn more about how we keep and use your personal information by looking at our privacy notice: Click here for our privacy notice
