

National Center (Welsh for Adults) - Pre-inspection questionnaire : Learners

1.

Over the coming weeks, Estyn inspectors will be inspecting the National Centre for Learning Welsh. Before they inspect it, they would like to know your views about the education or training you receive. Please take a few minutes to read each statement on the next page and choose the answer that best reflects your opinion of your provider.

If you need support to complete this questionnaire, please let your tutor/instructor know.

Your answers will be used by Estyn inspectors to consider learners' views about the provider.

Your individual response will not be shared outside Estyn or with your provider. The only time we will share an individual answer is if it raises safeguarding concerns.

Your answers will be stored securely on our databases in line with our data retention policy. For information about how we handle your personal information, please refer to our privacy notice: [Privacy statement | Estyn \(gov.wales\)](#).
