

Pre-inspection questionnaire : School : Governor (primary)

1.

We would like to know about your role within the school as a member of the governing body. Read each statement considering your own experiences as a governor and tick the box that best fits with what you think. We hope that responding to these questions could also be used to inform and shape your work as a governing body.

Your opinion matters to us. Your answers and those of others help inform the inspection. Where appropriate, we may also use these questionnaires to help form a national picture of the work of education providers across Wales.

The questionnaire is anonymous. Your responses are confidential, and we do not ask for your name.

Estyn inspectors will:

- Read your answers
- Never disclose your individual responses to the school or anyone outside of Estyn. The only time we may share information with other people is if we have concerns about the safety of learners.

Your answers will be stored securely on our databases in line with our data retention policy.

For information about how we handle your personal information please refer to our privacy notice: [Click here for our privacy notice](#)
