

The Independent Living Skills Curriculum in Further Education

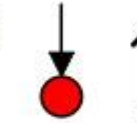

1. Symbolised questionnaire for learners

Instructions for adults:

- only use the symbolised questionnaire when it is appropriate to do so (i.e. when it matches the communication needs of the learner)
- where appropriate help learners to understand the questions (E.g. signed support)
- if learners don't understand the questions, please guide them to move on to the next one
- give learners enough time to think about the question before they respond
- please remind learners to select their answer
- learners may need to take breaks between questions, this is ok
- this questionnaire may not be accessible or suitable for all learners
