Pre-inspection questionnaire – Youth Services: Partner

As a partner agency/member of staff of a partner agency of this youth work provider, please tell us what your experience of working collaboratively with them is, whether in a formal or informal way. Read each statement considering your own experiences and tick the box that best fits with what you think. For some questions, you will have an opportunity to explain why you have chosen that answer, if you want to.

Your opinion matters to us. We will use your answers to help us understand what you think about your experience of working with this youth work provider. We may use your answers and the responses of others to help us understand what partners of similar youth work providers think about youth work across Wales.

The survey is anonymous. Your responses are confidential and we do not ask for your name.

Estyn inspectors will:

- Read your answers
- Never disclose your individual responses to anyone outside of Estyn. The only time we may share information with other people is if we have concerns about the safety of young people.

Your answers will be stored securely on our databases in line with our data retention policy.
