Dear Mr Jones

Providers requiring Estyn review following core inspection

As you know, we recently reviewed the progress Adult Learning Partnership Swansea has made against the recommendations of the core inspection of November 2022.

We judge the partnership has made sufficient progress against those recommendations. We will now remove the provider from the list of providers requiring Estyn review. There will be no further Estyn visits in relation to this inspection. Future progress against the recommendations will be monitored in our routine annual link visits.

Yours sincerely

Mark Campion
